3. Click on the red "Register" button at the bottom.

4. If you have entered all mandatory information correctly, you will receive a Registration Confirmation email at the address you entered. You MUST click on the link in the email message in order to Activate your account.

5. Once you have activated your account, you may return to the site and Login with the username and password you selected. If you want the site to remember you when you return again, click on the square below the Password box next to "Remember Me".
