

Top Film Directors talk about Film Festival in Panama

Written by T. Rob Brown (aka Roberto Chocolate)

Tuesday, 09 November 2010 15:33 - Last Updated Tuesday, 09 November 2010 18:27

La Prensa, Panama's leading newspaper, published an exciting article today. The reporter interviewed five of the top film directors and movie producers in Panama about the prospects of PANIFF: El Festival de Festivales.

Click here to read the article - it comes up in Spanish, but at the top you can change the language to get a very poor English translation. (Google needs to work on this. LOL) Roberto
