☐ Thank you to all of my readers. The Current Visitor Hits count exceeded 100,000 today - a very rewarding moment.

I would like to believe that the huge increase is due to my clever writing, incisive insights and brilliant observations - however - what it does prove is that interest in Panama - especially from Canadians (the number one location of my readership, followed by USA, Peru, Mexico, Costa Rica and Panama) is on the rise - dramatically. Thanks to all. Roberto
