I receive many requests for info on buying used cars in Panama. I refer people to two sources:

1) Find your own car on www.encuentra24.com

or

2) Contact my expert - Nasira, who runs the back-office of a number of used car dealerships for her family. Roberto

Here is another request:

Hi Rob.

Can you put us in touch with Nasira regarding long term rental or purchase of a vehicle in Panama and the rules regarding same. We will be arriving in January as Pensionados. Enjoy your site.
