Hey Rob

Just left Panama a week ago and loved Woody's. Great to get a Cesear away from home. While there Monique gave me her business card but the cell number on it seems to be a misprint. It has 11 numbers on it.

Would you be able to provide me with a phone number for either Woody's bar or Monique as friends of mine might be interested in real estate in Panama.

Thank you.

Abe B.

Cornwall, Ontario **MY REPLY:** It is OK Abe - cell phones in Panama have an extra number, a 6, indicating it is a cell phone - just dial it normally. Remember to dial the

country code - 011 from Canada, then (507) then the 8 digit number.

Glad you enjoyed Panama - come join the Canadian slum - I warned the Panamanians that we would multiply if they didn't spray!!! LOL Roberto
