QUESTION: Roberto, do you have any tips for buying and registering a car in Panama?

Thank you. Kevin K. **MY ANSWER:** □ Check the site under "Destinations" and click on Panama - I have 3 articles on buying or registering vehicles in Panama. Hope you enjoy. RC PS: It can be an very, very frustrating process - especially f you are not fluent in Spanish. I am using Nasira who just started Paperwork Panama to do all my vehicle registration, plates, stickers and insurance - contact her at: nasirabhiku@gmail.com.
